SUBJECT: REPORTING THREE EXPIRED EXPORT PERMITS

Dear Mr. Heiss,

Please find enclosed the documents for three sites in the United States that have Export Permits that expired during 2017.

1. The warehouse in West Chester, PA: Moved across town from 890 Fernhill Road to 909 Camaro Run Drive. The Zip code stayed the same. The export permit that was issued for 890 Fernhill Road expired because the warehouse moved to a new address in the same city.
2. The warehouse in Cincinnati, OH: The correct city for the street address of 4775 Interstate Drive is West Chester, OH, which is a suburb of Cincinnati and not in Cincinnati, OH. The old permit using the city of Cincinnati, OH expired during 2017. The postal mailing address is West Chester, but technically the warehouse is in Cincinnati.
3. The warehouse in Clarksville, IN: There were no shipments during 2017. This warehouse closed and moved to Jeffersonville, IN which is an adjoining town.

Sincerely,
INTERSTATE BATTERIES
RECYCLING, LLC
